Staff is doing this project so it will be an ongoing year long project. Bid opening for the pond dredging project is on May 14th. No bids were received on the wastewater treatment system. The budget did not include a concrete pad for the system and staff is working on an update to provide to the board. The bar cooler project should proceed after receiving feedback from the health department.

General Manager Gelabert explained staff are planning roughly one music event a month. Rob Post band is on Saturday, May 4th. A motown band is scheduled in June and dueling pianos in July. The Miller Shootout is Friday, May 10th. Staff is also booking a number of new golf outings with food and beverage packages.
